Would You like to shadow a Scribe?

Have you always wanted to know how to scribe for a judge? Now is your chance to sit with the judge and scribe to observe. It is not as difficult as you might think and it is a great learning opportunity.

We are hoping that once you see what is involved you will volunteer to scribe for our judges.

For more information, call or text: **Sharon at 860-234-8850**
